CHRIST CHURCH. - A publication signed by four "members of the present vestry of Christ Church" states that the present vestry of the Church were elected in March 1863; that of this vestry two are communicants of the Protestant Episcopal Church, and the remainder are not "non-professors of religion in the sense of being infilels, atheists or scoffers at sacred things;" that the parsonage of the church was leased, to secure, with other sources of revenue, a sufficient sum to pay the salary of a rector; that Rev. Mr. Drumm was called to be rector in November last, and his salary raised to \$1,200 at his soliciation in January last; that in February, "the Rector and five members of the Vestry being present, Mr. Drumm's relations with Christ Church, as Rector, were terminated by the passage of a resolution, with no negative vote and only one dissenting voice; that this action was reported to the Military Governor for his information, and was neither approved nor disapproved by him, but simply recognized as a lawful exercise of authority on the part of the Vestry," and that "in conformity with this action of the Vestry, Mr. Drumm was requested to desist from holding services in the Church, and to deliver over the keys, and upon his re fusing to comply with these requests, the military authorities so far intervened in the matter, on the application of one of the Vestry, as to sustain them in their lawful authority; to secure the continuance of public services in the Church, and the worship from unseemly disturbince." Immediately following the above statement is another signed "Agnostos," to the following effect: -1st. That no "change in the Rectorship of Christ Church" has taken place, and 21. That the Rev. Mr. Deamm will continue to officiate in Christ Church at least for the present, and 31. That the congregation of the Church are invited to meet on Easter Monday, (28th inst.,) to elect Vestrymen for one year.

The correspondent of the New York World asserts that in the recent advance upon Tunnel Hill and Dalton, the Federal troops sustained a defeat. It was supposed that Johnson had weakened his army by detaching several divisions to reinforce Polk, and that the Federal troops at Chattanooga vould, therefore, meet with very little opposition in their movement upon Dalton. The result, however, proved that Johnston's army was not only strong in point of numbers, but that it occupied a defensive position which could neither be carried by assault nor turned by a flank movement, as at Tunnel Hill and Lookout Mountain. Under these circumstances, the Federal troops, after sustaining a very heavy loss, fell back to their old quarters.

Two steamers arrived at New York on Saturday, with advices from New Orleans to the 11th inst. Gen. Banks is on the eve of departure for Western Louisiana. A fleet of Admiral Porter's gunboats has already started with the intention of co-operating with the land forces. In the recent fight on the Washita river, La., in which Admiral Porter is reported to have captured a Confederate fort at Harrissonburg, one of the Federal vessels was struck thirty-five times. Lieut. Williams, of the 4th Wisconsin, had been killed by guerrillas not far from New Orleans. It was reported at New Orleans that Yazoo city, with the 11th Illinois, had been captured.

The New York banks on Saturday generally advanced the rate of interest to seven per ct., but on the street. loans were made at five to six.

Secretary Stanton has changed the name of the Invalid Corps to the Veteran Reserve Corps. Foreign News.—There is but little additional news from Demark. A Copenhagen dispatch dated on the night of the 5th says that the Austrians have arrived before Duppell, and that an attack on that place is shortly expected. Also, that those districts of Schleswig not occupied by the Austro-Prussian troops have elected members to the Danish Rigsrad. In Copenhagen, all the candidates favorable to the energetic prosecution of the war were elected.

A large meeting was held in the room of the Women's Loyal League, in Cooper institute, New York, last Friday night, to form a Fremont can paign club.
